Horses are getting down to a very low figure, and the price for hogs is gradually coming down, as Sibley, of the house, prophesied would take and \$1. place if there was an unconditional repeal of the silver clause in the sherman act.

their earnings?

From the time man first exerted energy to satisfy his wants his constant endeavor has ever been to obtain the greatest amount for the smallest expenditure of time, strength and money. In what sense then, does "a cheap cost make a cheap man?" MULTUM IN PARVO.

The Nonamturn Worsted company. of Newton, Mass., has issued a cir- tions, and positively cures piles or of Newton, Mass., has issued a cir-cular to its employes informing them that if the new tariff bill goes into effect they must prepare for a reduc-refunded. Price 25 cents per box. effect they must prepare for a reduction in wages. This is a sort of club For sale by Hartz & Ullemeyer by which working men are to be bulldozed into supporting the sys-tem that plunders them.

The very fact that San Francisco, New Orleans, Concy Island and other places, have refused to allow Cortest and Mitchell another opportunity to show forth their brutish propensities, is an indication, in my mind, that man in his evolution has moved another notch forward from the monkey. Verily other mills of the monkey. Verily other mills of the secondary of the monkey of the monkey of the monkey of the monkey. the monkey. Verily "the mills of the Gods are grinding" and the "world do move."

3, 1894.

For ra

Few have ever realized the wonderful aid to production resting in the simple right to buy and sell. In fact, without freedom of exchange, the power of man and nature in this direction would count almost for naught. To think what would be the condition of the race with all right of trade desired, we have but to imagine a human being isolated from his fellows, and compelled, an-aided, to satisfy his every want.

E. D. W. Hozzas, Agent.
